Thank you for your order!

Using our industry recognized and court approved proprietary diminished value methodology as well as over 50 years of automotive and insurance claims experience, we have reviewed the information submitted and prepared your ClaimCoach Diminished Value Report.

Date: 02/15/03 **Name:** Sample **Email:** your email address

Zip Code: 77777 **Date of Loss:** 01/13/03 **Claim#** UNKNOWN

**THE DIMINISHED VALUE AMOUNT ON YOUR 2002 TOYOTA CAMRY LE
IS: \$2,241.01**

ClaimCoach Diminished Value Reports are based on information provided by consumers after a vehicular loss. ClaimCoach assumes that the vehicle has been properly repaired. This report reflects the **Inherent Diminished Value** suffered following the repair. *You may be entitled to further compensation or remedies if your vehicle was not repaired to its pre-loss condition.*

Now, here are the next steps to a successful resolution to your claim:

1. Review your report carefully and be prepared to discuss it with the insurance company. Remember, inherent diminished value is the loss in market value to your ***properly repaired*** vehicle following an accident.
2. Print a copy of your ClaimCoach report for your records and also one to present to the insurance company for their review and consideration.
3. Ask the insurance company for any response to your request IN WRITING for future use in this process.

ClaimCoach valuations are based on estimate and vehicle information believed to be authentic, reliable and accurate. ClaimCoach has used reasonable care in producing the valuations offered, however, ClaimCoach makes no guarantees, expressed or implied, as to the final resolution of your claim and shall not be liable for any differences or damages of any type or description incurred by the use of the information.
